The O/o Chief Registrar(Births & Death) & Commissioner of Health, Gujarat State has developed uniform software named “e-olakh” for Registration of Births and Deaths and issuance of certificates registered through the system. After implementing this software, the birth and death certificates are being issued through this software under the provisions of section 12/17 of the RBD Act, 1969.

2. The certificates issued through the software which is accessible at ‘<https://eolakh.gujarat.gov.in>’ have unique certificate number to each registered event across the State. The certificates thus generated will be made available in the public portal of the ‘e-olakh’.”

3. All concerned departments of Central Governments and State Governments are requested to ensure that the certificates issued by the Registrars/Sub Registrars through the application are accepted and not to insist for original certificates carrying manual signature of the issuing authority.
